## Harrison Festival of the Arts

"The fact that Harrison is small has meant that the possibility for artists to interact with "locals" has been significant... they have created a space where real interaction between members of very different worlds have been able to meet on friendly ground. To do this for a few years is a good thing, to have done it for over three decades is remarkable and praiseworthy. In this regard the Harrison Festival of the Arts is a rare bird indeed. Long may it fly!"

*Gary Cristall, Talent Agent / Founder - Vancouver Folk Music Festival*

"It takes a community to raise a festival; one that believes in live performance, in the power of the literary and visual arts, and in a desire for

social change and better understanding amongst all people."

*Phyllis Stenson, Executive Director - Harrison Festival Society*

"Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything."

*Plato*

# Harrison Festival Society

The Harrison Festival Society produces:

## Harrison Festival of the Arts

An internationally acclaimed event entering its 32<sup>nd</sup> year.

## Season of Performing Arts

Ten to twelve professional performing arts events between September and May each year.

The Society has also developed many community partners and works closely with other organizations, businesses and institutions.

The Harrison Festival Society believes:

- good quality live performing arts are an extremely important part of a healthy community and that within their local area people should be able to explore the human community through the presentation of a full spectrum of artistic expression.
- in the importance of celebrating the cultural diversity of Canada and the world, and by presenting audiences with the artistic expression of diverse cultures, helps them appreciate the contributions of different cultures to our common culture.

The Society's commitment to its audience is to bring the best Canada and the world has to offer, while remaining accessible and inclusive.

The Harrison Festival Society is a non-profit organization incorporated in 1988 under the BC Society Act. The Society is governed by a board of directors, employs a staff of three and has an office open twelve months a year in Harrison Hot Springs.
