Harrison Festival of the Arts • July 7-15, 2012

Dear Friends,

The 2011 Harrison Festival of the Arts presents **Art Market 2012**. The Festival is now accepting applications for jurying from craftspeople and artisans.

The Art Market will be on the grass along the front of the beach in the centre of Harrison. This makes it accessible to everyone in Harrison and helps create a festive atmosphere.

The Harrison Festival of the Arts is a celebration of music, theatre, dance and visual arts. Performers, artists, craftspeople and guests invited to participate in this year's event all bring their own special sense of the world and help create the friendly atmosphere that holds the festival together.

So on behalf of us all at the Festival, we invite you to join in the celebration.
